

COMPANY PROFILE

TEKNOKRAT NIAGA
making sense of technology

FULLY OWNED BUMIPUTERA COMPANY

ABOUT US

Teknokrat Niaga Sdn Bhd (TNSB) commenced on 6th November 2013. Its initial and sole purpose was to serve the customer in making sense of technology in to their lives.

Since its inception, TNSB has serve in all ways. We vision of developing the community, in every organization, through the activities of serving ICT services, consultancy and trading of IT hardware and software. This is the shift from not only supplying IT hardware or software but to transfer knowledge and making sense of the technology itself to the customer.

With an improved and focused organizational structure, TNSB is now more than ever, ready and prepared to serve our customer into a dynamic and potential force to be reckoned with both at home and abroad. The underlying philosophy that is upheld is that every individual has the potential to achieve greatness in any undertaking through the provision of the appropriate nurturing and developing of this potential.

With this philosophy, TNSB aims to provide services that will increase the productivity, efficiency and competitiveness of our customer in both the domestic and international market. Since 2015, TNSB has succeeded delivering its services in IT and multimedia program to our customer.

WHY CHOOSE US ?

We strive to work in collaboration with our customers to be able to build high performance teams necessary for creating and maintaining world class business solutions. We have qualification in the areas as below:

INTELECT & EXPERIENCE

TRACK RECORD

COMMITMENT TO QUALITY

COMPETITIVE PRICING

“

Teknokrat Niaga is committed to providing substantive business value of each and every product developed and client engagement. We achieve this through a combination of expert Industry-Specific business analysis, strong technical skills, sound project management methods and traditional values.

HOW IT WORKS

We have handled small - large scale projects and have over the years implemented solutions for numerous organizations of all sizes. Our growing list of satisfied customers' not only act as our excellent references but are also a source of our repeat business.

Highly skilled professionals who possess expertise in diverse Business and Technology areas make up the Teknokrat Niaga team. To provide world class service, we employ the best technicians, adhere to proven methodology, provide superior client service and become a true business partner in every project.

We render services to our clients at a very competitive price and depending on the type of client engagement. We offer them the most suitable pricing model structure.

We believe in Quality service and our approach has been designed to provide the same. We listen carefully to our clients and provide space, time and materials according to agreement for the project.

We are proud of our Technical and Creative capability and this emerges from taking time to get it right. Our Quality Assurance Department tests throughout the process to ensure that the project will be successful.

We invest the time up-front to clearly understand your needs and then manage projects to ensure they are delivered on time and within budget.

OUR MISSION & VISION

VISION

To spawn Technopreneurs That Proliferate Synergistic Partnership
Which Positively Contributes to the Economy

MISSION

We Enhance People to Innovative End-To-End Learning in
Making Sense of the Technology

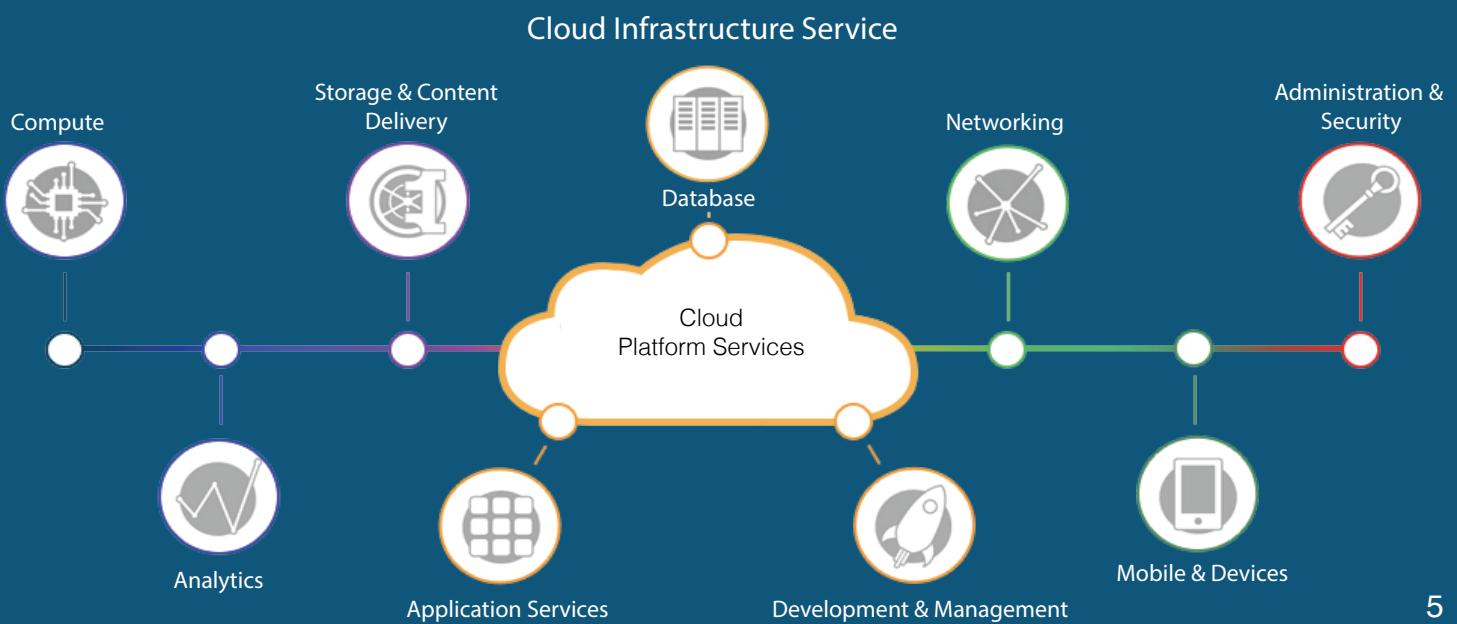

MOTTO

We Enhance Knowledge

GOAL

To Be a Leading Global ICT Service Provider

OUR CORE SERVICES

Expertise, thorough knowledge and firsthand experience along with strong Industry specific research skills help us in analyzing, designing and implementing world class solutions.

INFORMATION TECHNOLOGY

Application & System Development
 Mobile Development & Solutions
 Cloud Solution System Integrator
 Smart State Solutions
 Enterprise Resources Planning (ERP)
 Enterprise Asset Management Implementations
 Enterprise Smart Patrol Solutions
